RE: NOIs 5732 and 5743	10/31/2012 03:53 PM

**Item Body**

Jim:

The DTSC Chatsworth Office has enforcement case against Exide resulting from a complaint investigation conducted on Sept. 2012.

I looked at the NOIs from Canada and Exide's permit allows them to receive the waste.

Regards,

Razel,

I have attached two NOIs for shipments from Canada to Exide in Vernon. Please let me know if the facility is permitted for this waste and if they have any enforcement action against them. Thanks.
